NEW 2014 PRELIMINARY FLOOD MAPS

HOW TO VIEW & PRINT A MAP OF YOUR PROPERTY

USING HAMPTON GIS

1. Click: http://webgis.hampton.gov/sites/ParcelViewer/Account/Logon

2. Click to check box that you agree to the website disclaimer and click "Enter Site"

3. Click on the "Search" tab to enter your Street Number and Street Name and click "Search"

4. Select your property from the Results by clicking on the item

5. Click on the "Map" tab and zoom in or out using the + or – signs in the top right corner

6. Identify the current flood zones on your property by going to "Map Layers" on the left side of the screen and checking the box next to "Current Flood Zone Districts (FEMA)"

7. To determine the new flood zone, turn off "Current Flood Zone Districts (FEMA)" and check the box next to "*PRELIM* Flood Zone Districts (FEMA)"

8. Click "Print" on the menu bar above the map, keep the default "Export as" and "Template", enter a Title if desired and click "Export"
